Key Product Features & Benefits

Easy to use control eBox

The eBox makes it easy to operate the cleaner at the touch of a button. It indicates when the filter canister is full and also allows you to activate the Lift System.

Patented Vortex Vacuum Technology

Captures large debris such as gumnuts, twigs and eucalyptus leaves while ensuring constant suction power throughout the cleaning cycle.

Large easy to clean filter canister + Full filter indicator

The easy to access and hygienic design allows you to clean and remove debris in a matter of minutes with minimum fuss.

Zodiac Patented Lift System

Makes this the easiest robotic cleaner to remove from your pool: 20% less effort than competitive offerings.

Certified to Australian safety standards
